

Yarn Colors to Knit the Pillow

To knit the pillow we used needles #3 and cotton yarn of the following colors:

	- Dark Brown
	- Medium Pink
	- Black
	- Orange
	- Medium Green
	- Dark Yellow
	- Bright Pink
	- Medium Blue
	- Light Green
	- Medium Red
	- Light Blue
	- Dark Green
	- Purl
	- Burgundy
	- Mint Green
	- Dark Blue
	- Teal Blue
	- Lavender
	- Medium Brown
	- Purple
	- Light Yellow
	- Dark Red
	- Dark Grey

These colors are not exactly the same as colors on Kandinsky "Gravitation".

I mostly used yarn that I had. To knit little squares (5 stitched x 8 rows) you need no more than 2 yards of yarn - try it to make sure.

Even the brown yarn which I used a lot does not have to be brown. It can be dark grey or a different dark color.

I would not advise people to buy a lot of different yarn colors. I like to use yarn that I already have, especially when I have just a couple of yards of it...
